

# We the People...

## Salute

The Freedom Flags project has been designed to serve as a reminder of our community's proud military history, specifically what families having local connections have contributed unselfishly to our nation's freedoms and liberties.

This project will be a visible display of our community's sincere admiration for those men and women that have served or are currently serving in The United States Military.

Each banner will be distinctive and will proudly honor the individual person. The banners are 20" wide X 40" long and will list the Name, Branch of Service, a Photo Image and a Sponsor's name at the bottom. Military photo is preferred and must be in good taste. The City of Grafton or All Aboard Grafton reserves the right to request a copy of the DD214.

They will be hung throughout the City of Grafton in high traffic areas from early mid-May through July.

Sponsorships are \$60.00 per banner

**THIS PROJECT IS NON-POLITICAL AND NON-PARTISAN**
